

CITATION

Mdm. Yeow Kam Chi has joined and served MRC for quite some time. She was introduced to MRC when she was 17 years old in secondary school and later rejoining MRC again to serve in 1986. She was then elected as a Committee member in the Chapter and in 1995, she was appointed as the Officer-In-Charge of Link.

Through her non-stop dedication and motivation, started off with only 8 Links unit, a total of 31 Links have been registered with the Chapter today. She contributes her time and effort in personally training the Link members in marching, enabling the unit to participate in the Branch Annual Parade.

She would also organize projects and activities for the Link unit to foster better relationship between the Chapter, unit and officers.

For her boundless dedication and hard work, I have no hesitation to strongly recommend her for the Excellent Service Medal.
